THURSDAY, AUGUST 20, 1885.

The County Assessment—Correction.

The Times was on Tuesday led into  
making a statement of statement of  
connection with the publication of an  
abstract of County Auditor Montaño's  
official "statement of the values of  
property in the County of Los Angeles  
for the year 1885," which that official  
had made in his office for publication  
at the time. The Times called  
particular attention to the above fact  
that the assessment was then a little  
over \$1,000,000 less than the amount  
stated in the abstract, and that the  
assessment was then a little over  
a million dollars less than for last year.  
A statement which was a surprise to  
as well as to every intelligent  
and observing man in the com-  
munity, and which caused a  
considerable increase in property values  
during the year has been marked and material.  
The unfavorable comparison made there-  
was not only unjust to the county, but  
it that it proclaimed its material retrograde  
situation instead of its progression, but the  
comments made in connection with the  
matter have done a great injustice to the  
Times. The Times has no desire to  
represent or injure—any—American  
Bilderrain, upon whom official  
statements of the Auditor's statement is built.  
We therefore hasten to correct the  
erroneous statements and comparisons  
set forth unintentionally, and to  
desire that justice all around, as  
it may be.The comparative totals given in  
Tuesday's Times for 1884 and 1885, show  
an apparent fall off from last year of  
\$1,237,482. Instead of this being true,  
the actual increase is \$1,000,000, as shown  
by the abstract of the Auditor's statement  
for 1885. This being the case, it can be  
readily seen that the basis being used  
in the comparison must necessarily be  
arbitrary and unjust.In order to present the case more  
fully and specifically, we bring below  
comparative statements for 1884 and  
1885, respectively—drawn from the  
Times for 1885, and added estimates to cover the  
possible action of the State Board of  
Equalization:
